

Greetings to our recently trained Collaborative Colleagues:

On behalf of the Virginia Collaborative Professionals (VaCP), thank you for attending the 2-day Introductory Interdisciplinary Collaborative Practice Team Training in Roanoke, Virginia.

As you integrate Collaborative Practice into your own legal, financial and mental health practices, we encourage you to stay in contact with other trained Collaborative practitioners and one of the best ways to do so is to get involved in or start your own local practice group. I am copying the Virginia local practice group representatives so you will have their email addresses and they will have yours.

As Chairs of the VaCP Member Development and VaCP Member Services Committee we extend a personal invitation to join VaCP, our statewide practice group, if you practice in Virginia.

Our Annual Meeting is November 14, 2016 in Charlottesville and it is open to everyone. Find out more about VaCP membership at www.vacollaborativepractice.com, contact me Darlene Doucette, VaCP Administrator vacpmembership@cwsmithpc.com or one of us.
